Pharmacy Institutions, NGOs and other Healthcare Organisations, Assam.

**Subject: Celebration of World Pharmacists Day 2026 on 25th September – Request for Active
Participation and Submission of Photographs**

Respected Sir/Madam,

The Assam Pharmacy Council is pleased to invite all pharmacy professionals and stakeholders across the State to join the celebration of World Pharmacists Day 2026 on 25th September 2026.

The theme for World Pharmacists Day 2026 is “Empowering pharmacists for healthier futures.” The theme highlights the vital role of pharmacists in improving access to healthcare, promoting the safe and rational use of medicines, strengthening health systems and contributing to better health outcomes.

On this important occasion, the Assam Pharmacy Council appeals to all Government and private hospitals, community pharmacies, pharmaceutical industries, pharmacy colleges and institutions, NGOs, healthcare organisations and pharmacy professionals to come together and conduct meaningful activities to create awareness among the public about the role and responsibilities of pharmacists.

All stakeholders are encouraged to organise suitable programmes such as:

- Public awareness campaigns on the safe and rational use of medicines;
- Health awareness and screening programmes;
- Awareness on medication adherence and prevention of medication errors;
- Educational programmes in schools, colleges and communities;
- Seminars, workshops, rallies and public outreach activities;
- Awareness programmes on antimicrobial resistance and responsible use of antibiotics;
- Social-media campaigns highlighting the contribution of pharmacists to healthcare; and

Any other activity aimed at promoting public health and strengthening the pharmacy profession.

The Assam Pharmacy Council believes that World Pharmacists Day is not merely a celebration, but an opportunity to demonstrate our collective commitment towards society and public health. The active participation of pharmacists working in every sector will help create greater public awareness and recognition of the profession.

We, therefore, request all pharmacy stakeholders to join this initiative of the Assam Pharmacy Council and observe World Pharmacists Day 2026 with meaningful activities in their respective institutions, organisations, hospitals, workplaces and communities.

Submission of Photographs and Activity Details

All participating institutions and organisations are requested to share photographs and brief details of the programmes/activities conducted on World Pharmacists Day 2026 with the Assam Pharmacy Council for official documentation, record keeping and publication through the Council's official communication and media platforms.

The photographs and activity details may be sent to:

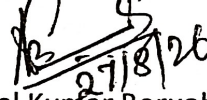

Email: assampharmacycouncil@gmail.com

Kindly ensure that the photographs clearly reflect the activities conducted and, wherever possible, mention the name of the institution/organisation, location and nature of the programme.

Let us come together as one pharmacy community and work towards the vision of "Empowering pharmacists for healthier futures."

Your active participation and cooperation will make this statewide initiative successful and impactful.

Yours faithfully,

(Dr. Amal Kumar Boruah)

President

Assam Pharmacy Council
